RECITAL SERIES 2011-2012

Welcome to the UPEI Department of Music's 2011-12 concert season! Our recital series offers an exciting blend of our own faculty artists, local and regional colleagues, and international guests. As usual, we will also celebrate the many talents of our students through weekly recitals, concerts by departmental ensembles, and our annual performance competition.

Highlights include the internationally renowned Gryphon Trio; the winner of the 2011 Eckhardt-Gramatté National Competition, mezzo-soprano Erica Iris Huang; and an evening of jazz with the Ernesto Cervini Quartet. Please join us for what promises to be an exciting and entertaining concert series!

—Andrew M. Zinck
Chair, Department of Music
